BUSINESS EVENT AND
CONFERENCE 2019-2020
PLANNER'S GUIDE

WELCOME TO ALBURY WODONGA

Albury Wodonga is more than a meeting point of two cities and two states on either side of the mighty Murray River. It's also where a sophisticated urban centre meets untamed countryside. Where Australia's newest cultural landmarks meet ancient indigenous storytelling traditions. Where fine dining in a reimaged historic train station meets street food in a converted shipping container. Where a rich history of welcoming new people to our land meets an enduring sense of community today.

Our impressive conference venues offer modern facilities, advanced technology, flexible spaces, professional catering and quality accommodation. Albury Wodonga's specialist conference and event service providers can help ensure that your event runs smoothly and 'stands out from the crowd'.

The cities have a range of unique settings to give your business event or conference a creative twist - you can enjoy cocktails by the Murray River or an exclusive dinner at an art gallery, museum, circus venue or a city square. Outside of the meeting room, the options for team building, touring and partner programs are boundless and there's plenty to explore and enjoy once the day's work is done.

To help you take advantage of the unlimited range of options, the visitALBURYWODONGA Team can assist in tailoring a business event that meets your needs and exceeds your expectations.

The support we have received from both the venue and the staff of council has been fantastic, not to mention the various businesses which have shown our members the best of country hospitality. I would encourage organisations to consider Albury as a wonderful regional location for their next event.”

TOURING EXPERIENCES

Janet Goodchild-Cuffley, *Furious Riding: The Kelly Women Narratives*

Extend your delegates' visit and encourage them to explore Albury Wodonga with a range of local experiences.

Experience the Murray River at Noreuil Park, you'll find places for swimming, kayaking, paddle boarding, bike riding or just relaxing on the riverbank. With mature shade trees, picnic tables, and large expanses of green space there is plenty of room for everyone.

Art and culture by the handful - Murray Art Museum Albury (MAMA) is Albury's newest destination for art lovers. Day and night, young and old, MAMA welcomes you to embrace the unexpected. Another hot spot is the LibraryMuseum - the striking building may intrigue visitors from the outside however once in the building; the quality of travelling and static exhibitions is what ensures visitors stay.

Lakeside beckons - Lake Hume is a 15 minute drive from Albury and a haven for boating, water-skiing and fishing year-round. Open to pedestrians, the imposing dam wall acts as a barrier between the Lake and the Murray River. If you're lucky enough to be at the Lake when the release gates open, the sight of water spilling from the Lake is mesmerising.

Immerse yourself in history and heritage - the Wagirra Trail features the Yindyamarra Sculpture Walk. This five kilometre trail with 11 sculptures created by local Aboriginal artists tells the story of Aboriginal history and cultural significance along the Murray River. The Albury CBD Historic Building Walking Tour explores Albury's social, political and economic past.

Shop till you drop - with major outlets positioned alongside boutique stores, more than a few hidden gems can be found in the city's shops. From homewares and clothing to creations from local and regional artists, there's something for all tastes.

Discover our tracks and trails - more than 90kms of beautiful bike and walking trails offer adrenalin-charged action, hill-top

climbs or a quiet afternoon stroll, all with spectacular scenery. Just west of Albury is the magnificently restored Wonga Wetlands. Choose from three trails through lagoons and billabongs or ride from Albury on the scenic bike path that follows the Yindyamarra Sculpture Walk to Wonga Wetlands.

Eat and be merry - Melbourne's famous café culture has well and truly found its way north, with Albury Wodonga now the home of a large number of baristas pouring superb coffee. With more than a few local favourites, all your caffeine, mid-morning munchies, bakery treats and evening delights will be satisfied. In the evening, local restaurants and wine bars deliver an urban experience equivalent to the best of our city friends.

Partner programs and team-building

Whether you're a group of 10 or 1,000, we can help organise chartered bus tours, tailored itineraries to suit your group, suggest team building activities and plan partner programs. Or, if you prefer, we can provide all the resources you need to explore the cities at your leisure.

Exploring the region

Discover the charming character and history of neighbouring Yackandandah, Rutherglen, Chiltern, Beechworth and Milawa. Indulge in Gundowring Ice Cream, Boosey Creek cheeses and a glass of Rutherglen red. Mt Buffalo, Bright and Mt Beauty are well known for access to snow but also provide year-round adventure; offering mountain biking, rock climbing, kayaking and more. In winter you can head to the snowfields of Falls Creek and Mt Hotham.

Howlong, Corowa, Yarrawonga and Mulwala are just a few of the townships that should not be missed if you enjoy top class golf courses, water sports or quality food and produce.
